Engineering Safety Champion Award

The Engineering Safety Champion Award has been established to recognize lab/shop that uses best safety practices in their teaching and/or research activities, maintains excellent housekeeping and actively promotes a culture of safety.

Congratulations to the winning labs/shops listed below!

Chemical Engineering – Livermore Lab 205 (PI: Dr. Siva Vanapalli)

Electrical and Computer Engineering – Nano-photonics Center Lab 110 (PIs: Dr. Jingyu Lin and Dr. Hongxing Jiang)

Industrial, Manufacturing & Systems Engineering – IMSE Machine Shop 106 (shop manager: Mr. Fred Schneider)

Petroleum Engineering – Terry Fuller PE Lab 107A (PIs: Dr. Sheng and Dr. Emadibaladehi)
